SHOREMASTER

The Infinity Dock System™

INFINITELY CONFIGURABLE. ULTIMATE CUSTOMIZATION.

Take your waterfront experience to the next level with the Infinity Dock System from ShoreMaster. Engineered with **stability** and **durability** in mind the real distinction of the Infinity System comes from its ability to perfectly suit your needs - even as they change. From the **QuickConnect®** assembly and accessory system and industry leading **11 decking options**, all the way down to the geometry of our **5-Sided Dock Leg®** and pocket, the Infinity Dock System was designed with your experience in mind. Whether you are looking for the **ultimate in configurability**, unmatched **strength and stability** or traditional design and **easy installation**, there is an Infinity Dock System to meet your needs.

INFINITY CURVE

THE ULTIMATE IN WATERFRONT ELEGANCE, DISTINCTION, AND FUNCTIONALITY.

YOUR DOCK. YOUR DESIGN. NO COMPROMISE.

Your shoreline doesn't concede to straight lines and right angles - so why should your dock/pier system. ShoreMaster's exclusive 45° and 90° curve sections provide the versatility, functionality, and elegance your waterfront experience needs and deserves.

Our Infinity curve dock sections offer premium performance and superior curb appeal.

SHOREMASTER EXCLUSIVE

ACCESSORIZE YOUR DOCK, YOUR WAY

Hassle-free configurability to fit your needs.

QUICKCONNECT®

THE EASIEST WAY TO CUSTOMIZE YOUR DOCK.

A DOCK SYSTEM THAT EVOLVES WITH YOU. COMPLETE CUSTOMIZATION.

Imagine adding, removing, or reconfiguring your dock accessories at a moment's notice, and without the need for tools. When you choose a ShoreMaster dock system, you'll enjoy the convenience of QuickConnect accessories.

NO DRILLING. NO HOLES.

After the initial setup, you will never need tools to adjust or reconfigure your dock accessories. You won't find an easier system anywhere else.

SHOREMASTER EXCLUSIVE

- T-Handle Installation
- No Drilling. No Holes.

TOOL FREE CONFIGURATION

- Change Your Mind at a Moment's Notice
- Tool Free Reconfiguration
- Easy Installation

THE ULTIMATE IN CONFIGURABILITY

- Endless Configuration Options
- Reconfigure and Upgrade as Your Needs Change

NEW HOMECREST DOCK FURNITURE

CHAIRS, TABLE AND UMBRELLA | QUICKCONNECT

Enjoy your waterfront more from the comfort of your dock system. Our premium furniture and benches are easy to add, remove and adjust for a beautiful look and relaxing atmosphere.

Two styles of furniture available; see dealer for details.

Multiple fabric options available:

NEW SOLAR DOCK LIGHTS

NO CORD OR WIRING | SOLAR POWERED | EASY INSTALL | 5 COLORS AVAILABLE

Set your Infinity Dock System aglow in the evening with solar paneled dock lights from ShoreMaster.

Mounted directly into the dock leg caps our dock lights are easy to install and offer an attractive and unobtrusive low profile – no tripping, no wasted dock space. A bright solar powered LED light provides an evening illumination without the hassle of cords or wires.

Available in White, Blue, Red, Green and Amber

QUICK STEPS

4- AND 6- STEP OPTIONS | PIVOTING ANGLE | TWO STYLES AVAILABLE | QUICKCONNECT

ShoreMaster's NEW Quick Steps feature a wider step, deep tread and can be used as dock steps or landscaping steps for the ultimate waterfront experience. Also available are our standard dock steps.

4- and 6- step options available in both styles.

Quick Steps feature 33.75" stair opening, 41" overall width, and 7.125" stair tread.

See page 40 for additional dock accessories

WATERSPORT RACK

SINGLE AND DOUBLE RACK OPTIONS | QUICKCONNECT

Store your paddleboard, kayak or canoe off of your dock with an accessory bracket that attaches to the outside perimeter of your dock at any location.

Single and double rack options available. Versatile design can accommodate nearly any watersport equipment including paddleboards, kayaks, and canoes.

PIVOT LADDER

3-, 4-, AND 5- STEP OPTIONS | QUICKCONNECT

Get in and out of the water easily with ShoreMaster's QC Pivot Ladders. A vertical pivoting action and locking pin allows you to flip the ladder up when you're not using it, making it ideal for swimmers.

3-, 4- and 5- step options available.

NEW STAND-UP PADDLEBOARD RACK

EASY, SECURE BOARD & PADDLE STORAGE | QUICKCONNECT

Our SUP storage rack is the best way to store your Stand Up Paddleboards dockside so they are ready to ride whenever you are. The SUP Storage Rack is designed to fit any style of stand up paddleboard, and the storage rack arms are vertically adjustable so you can store your SUP at the perfect height for you. With easy installation and seamless protection for our paddleboards we make it even more convenient for you to get out on your next paddling adventure.

SHOREMASTER

Choose from the industry's
MOST DECKING OPTIONS.

ShoreMaster dock systems feature removable decking panels, but why?

There are a number of reasons. First, we build the strength of our dock systems into the frame sections themselves. We don't rely on the decking attachment to provide the system its strength. Second, it's better for the owners of our systems. It provides you options and makes installation, removal, upkeep and upgrades so much easier.

Why choose a removable deck panel system?

- Panels can be removed for installation/removal, making sections lighter and easier to carry and install
- Opportunity to update or upgrade the look of your system without replacing frame sections
- Easily replace individual panels if necessary - no need to replace an entire dock section
- Trust that the integrity and strength of your system is built into the frame itself

HARDWOOD IPE

LUXURIOUS | DURABLE | NATURAL | LOW-MAINTENANCE

You want real wood decking with low maintenance requirements. IPE hardwood decking from ShoreMaster adds stability to your dock system because its density adds additional weight to the overall dock system. IPE decking feels firm and stable under foot and its natural oils resist warping, insects and decay to provide you with a natural wood decking option that's remarkably low maintenance.

TRADITIONAL WOODGRAIN ALUMINUM

MAINTENANCE-FREE | POWDER-COATED | DURABLE

You want all of the natural beauty of real wood decking, but you need it to be maintenance free. Woodgrain aluminum decking gives you just that. Woodgrain powder-coated aluminum decking won't rot, twist, warp or decay, so your dock will look like new year after year. Get all of the benefits of natural wood, without the hassle of annual wood decking maintenance.

GRAY OAK WOODGRAIN ALUMINUM

MAINTENANCE-FREE | POWDER-COATED | DURABLE

Add timeless beauty and durability to your dock system with our Gray Oak woodgrain aluminum decking. Utilizing an Italian process paint application, our woodgrain decking features a non-repeating pattern so you get the uniqueness and natural appearance of wood without all the maintenance and hassle. Plus, the treaded surface provides you with a safe, cool to the touch decking option that's as comfortable as it is beautiful.

VERTEX® (GRAY AND TAN)

SHOREMASTER EXCLUSIVE | MAINTENANCE-FREE | SLIP-RESISTANT

If you want a maintenance-free decking option that is truly unique. You want the ShoreMaster exclusive Vertex decking. With a flagstone pattern, Vertex feels smooth on bare feet, looks great, and is incredibly slip resistant. Once you've walked on Vertex decking, you won't want anything else for your family.

FLOW THROUGH (GRAY AND TAN)

LIGHT-WEIGHT | MAINTENANCE-FREE | SLIP-RESISTANT

Flow Through decking is one of the easiest decking options to own because the open concept of the design will not collect dirt and debris. This allows it to dry faster and stay clean longer. You'll be able to enjoy a great looking dock system without any of the decking maintenance and cleaning. Flow Through decking is easy on your feet, and its slip-resistant surface allows you to safely, and comfortably enjoy time spent on your dock.

PAINTED ALUMINUM (TAN AND WHITE)

POWDER-COATED | MAINTENANCE-FREE | DURABLE | STAYS COOL

ShoreMaster's painted aluminum decking is among our most popular aluminum decking options as it provides a safe, comfortable decking surface. Powder-coated in natural tan or white, you get an attractive decking option to complement your waterfront property. Painted aluminum decking features a treaded surface and stays cool to the touch, so your family can truly enjoy every summer day on your dock.

SHOREMASTER

220 SunSaver

Precision welded lifts provide

MAXIMUM DEPENDABILITY

You can rely on a **precision, welded aluminum boat lift** from ShoreMaster to improve your boating experience by providing you with maximum **stability**, superior **durability**, and the ultimate in **reliability** and **performance**.

Our lifts are an **easy-to-use** and **dependable** way to access and store your boat. When you choose the **safety, dependability, and simplicity** of a ShoreMaster boat lift, you'll spend more time boating with your friends and family, and less time performing maintenance and making adjustments to your lift. ShoreMaster lifts can be configured to fit any style of boat, so no matter how you boat, you'll enjoy it more with a ShoreMaster boat lift.

BETTER

13oz VINYL WITH TOP COAT

DURABLE | LIGHT-WEIGHT | PROTECTION | EASY INSTALLATION

The addition of an OEM exclusive top coat to our 13oz vinyl canopy cover provides superior durability and performance. The 13oz vinyl canopy cover with top coat will outperform heavier 18oz vinyls in the following areas: tear resistance, grab tensile, strip tensile and hydrostatic resistance.

- Top coat finish provides you with superior durability, clean-ability, complete protection from the elements, and unmatched weatherproofing
- Additional boat coverage is provided by the deep scalloping around the perimeter of the canopy cover

GOOD

13oz VINYL

DURABLE | LIGHT-WEIGHT | PROTECTION | EASY INSTALLATION

13oz vinyl canopy cover is designed to be very lightweight without sacrificing the durability or moisture and UV protection that you expect from a premium vinyl canopy cover.

- 13oz vinyl material is incredibly lightweight, so installation and removal is quicker, easier and less cumbersome
- Additional boat coverage is provided by the deep scalloping around the perimeter of the canopy cover

SHOREMASTER®

A stylized white splash graphic that appears to be dripping or splashing downwards from the bottom of the 'SHOREMASTER' text. The splash is composed of several irregular, rounded shapes that merge together, creating a sense of movement and liquid.

COVERING THE WATERFRONT SINCE 1972
